Faith, Learning, Community for today and the future

We welcome your child and family into our safe, caring and vibrant learning community where our learning programs are placed in the context of Christian values and our Catholic tradition is celebrated.

Our school offers your child an education that fosters spiritual, intellectual, physical and social growth. Using modern teaching and learning programs integrated with the latest digital technologies.

Our Early Years Programs are informed by the Reggio Approach and constructivist pedagogies are used with the Australian Curriculum for Primary and Middle School.

We have been supporting students and their families since 1962 when the school was established by the Sisters of St Joseph. Our proud Josephite tradition means that we are inspired by St Mary of the Cross MacKillop and working towards contributing to a better future with
