Preparing for High School
• Middle School Electives (Arts/ICT)
• Middle School swaps (Science/Health)
• Extension to cater for student needs
• SAPSSA Sports
• Transition Programs:
  Yr 7 to High School = Transition Day
  Yr 7 Teachers Transition Evening
Our Year 7 students have the opportunity to further develop their learning, leadership, presentation and mentoring skills through both independent negotiated contracts and extended activities and responsibilities with younger classes. As older students, their social skills, maturity and independence can be developed by the various Middle School programs that confirm their personal keys to success before moving onto high school.
