HOLY WEEK

Holy Week commemorates Jesus’ triumphant entry into Jerusalem; his gift of the Eucharist; and his suffering, death, and Resurrection. Palm Sunday is our doorway into the holiest week of the Church year. The three solemn liturgies on Holy Thursday, Good Friday, and Holy Saturday (Easter Vigil) are called the Triduum. The liturgies of Holy Week are filled with some of the richest and most ancient symbols of the Catholic faith. The waving of palms on Passion (Palm) Sunday reminds us that we are called to be followers of Jesus, not just fans who cheer from a distance. The washing of feet on Holy Thursday speaks to us of the selfless love that we are called to practise in imitation of Jesus. The veneration of the cross on Good Friday reminds us that, as Christians, we believe that Jesus can overcome anything, even death. The lighting of the Easter fire in a darkened church and the celebration of baptisms on Holy Saturday speak to us of the new life that is ours because of Jesus’ triumph over the darkness of sin and death through his resurrection.” Taken from www.loyolaress.com

Our Holy Week Celebrations will start on Monday and continue until Thursday. The children will help us to reflect on the journey of Jesus to his death on the Cross. You are invited to join us for these very solemn Liturgies. Please see the timetable attached.

PROJECT COMPASSION

A big thank you to everyone who has supported the Caritas Project Compassion Appeal so far. St Joseph’s is a very generous community and we know that the money raised during Project Compassion will assist so many people who are much less fortunate than we are.

We acknowledge that this school is built on the traditional lands of the Kaurna People
Dear Parents & Caregivers

As we nearly complete Week 9 of Term 1 and think about the term coming to an end, we look back over the last week which was a very busy one for our school. A very big ‘thank you’ for your support of last week’s Sports Day, Swimming Carnival and St. Joseph’s School Mass and Picnic. The children and Staff enjoyed these different events, even though it was just a little warm for our Sports Day, we did have perfect weather for the Picnic. Congratulations once again to the Mary MacKillop Team (Green Team) who won the Sports Day Shield and also to the St. Joseph’s Team (Yellow Team) who were awarded the Spirit Team Award. The Team Captains for both teams, Jarrod, Giada, Peter, Tiana, Adriano and Salvatore did a wonderful job on the day as team leaders.

Special thanks once again to Mr Michael Musolino, Sports Co-ordinator for doing a fantastic job organising the day; to Caterina and Matthew Annetta for their help setting up and putting things away at the end of the day; to all the Staff for the supervision of the children and help with the scoring and preparing the children for their various activities; to Anna Ruggiero (P&F President) and the P&F Committee and helpers for co-ordinating the fruit snack; to the parents who supplied the tents for extra shade; to the parent volunteers who helped Michael and the Staff organise the various events; to Tania Montin, Maria Lupoi and parent helpers for doing a great job co-ordinating the Preschool events. It was great having all the children participate on the day.

The St. Joseph’s Day School Picnic held last Friday was also a great success. The children played well the whole time and particularly enjoyed the ability to play games, explore, investigate, interact, talk and be creative using the environment they were in. A big ‘thank you’ to everyone involved in making the Picnic a great success. Special thanks to the Staff and ESO Support Staff (nine were on duty the whole time supervising the various play areas), Anna Ruggiero, Lisa Matteo and the P&F helpers for organising the ice-blocks for the Picnic. The children loved socializing together in the Park and celebrating our Special Feast Day in this way.

As per usual, we will ask for your feedback regarding some of our School Events via an on-line Parent Survey. Please feel free to complete the electronic parent questionnaire which was emailed to all families this week.

Holy Week
This Sunday is Palm Sunday, the beginning of Holy Week. The children and Staff are busy preparing the various liturgies of Holy Week to share these special events each day at the 2.30pm Assemblies. All welcome!

School Board News
At last week’s School Board Meeting, we discussed the traffic problems which we have been experiencing in Tarocoma Avenue. There have been many, many near misses caused by parents or grandparents parking illegally or double-parking or driving up driveways across the footpath or calling children across the road without assistance. In order to avoid a injury, the Board have decided to introduce a change to the Tarocoma Duty. Beginning Term 2, the children will not be able to be picked up on Tarocoma Avenue. However, a teacher will supervise the children under the verandah between the St Anthony and St Joseph’s Buildings. Parents/grandparents will need to walk in and pick children up from there. If this doesn’t suit you, then use the Marian Road Pick-Up Zone. As per usual, there will be two staff on duty to supervise the children on Marian Road and one staff member who will supervise the children under the verandah inside the school grounds.

Working Bee
Our first Working Bee was held a few weeks ago and it was great to see a good turn out on the day. We concentrated our efforts on the Anzac Trail and also carried out many other small jobs that needed our attention on the day. We also did a lot of work in the Preschool, did a good clean up around the school, pruned back overhanging branches, re-painted the yellow walking signs/feet alongside the Oval etc. Special thanks to the following families:- O’Loughlin family, Flynn family, La Bella family, Clemente family, Hay family, Caiazzza family, Rositano family and Janovska family. Thanks to Anna Ruggiero for supplying the morning tea and lunch and to Mrs Ingrid Douventzidis and Mrs Dora Cavuto for their help and support on the day.

Open Day, tomorrow Friday 27th March
Open Day will be held tomorrow morning. We will have many visitors to our school between 9.00am and 10.45am. Our Year 7 students will act as Tour Guides and all classrooms will be open. You are most welcome to join us on the day.

Staffing News
On Thursday 2nd April, Mrs Adriana Graziani’s leaves to go on maternity leave. We wish Adriana and Jacques all the very best as they prepare for the birth of their first child.

With Sympathy
- Our thoughts and prayers are with the Gentilcore family, Giovanni ‘s mother sadly passed away recently.
- Grandmother to Josette.
- Our thoughts and prayers are with Venssa Webb and her family on the recent passing of her mother.
- Grandmother to Amelia & Aleksander.
- Our thoughts and prayers are with the Marino family. Sadly Mario’s mother passed away recently. Grandmother to Alyssa & Marcus.
Baby News
Congratulations to Sandra & Daniel Russo on the birth of baby daughter Layla Eve. Little sister for Amelia (1H).

Reminders:
- **School Uniform**: Please make sure that all uniform items are named. Also check your child/ren's clothing to make sure they have the right garments as sometimes the children mistakenly pick up someone else's uniform items.
- **Lost Property**: Please check the Lost Property Box for lost items, which is located at the Front Office. Unclaimed items of clothing will be donated to the Second Hand Shop or SVDP.
- **Enrolments 2016**: I am currently interviewing new families for Preschool and Reception for next year. Families already in our Preschool will receive a letter confirming their child's enrolment. An interview for current families is not necessary, unless requested. However, **all families need to lodge an enrolment form** for children commencing Preschool or School in the future. Thank you.

Thank You
- To Mr Musolino for doing a great job co-ordinating last week's Swimming Carnival. Special thanks to the parent helpers who helped with transporting children to the Carnival and also helped as time keepers etc. Much appreciated.
- To Mr Nick Cavuoto for all his help with the Anzac Trail.

Welcome Pre-Service Teachers
We welcome three Pre-Service Teachers who commenced their visit days in the Preschool and Year 1. Welcome Chelsea Wymond, Christina Tziortzis and Melissa Ilko.

Regards Laurie Sammut
Principal

---

**National consistent Collection of Data and School Students with Disability**

A circular was emailed out this week providing all families with information about the Nationally Consistent Collection of Data on School Students with Disability. The Disability Discrimination Act (1992) and Disability Standards for Education (2005) use a very broad and inclusive definition of what constitutes a disability, not necessarily requiring a medical or professional diagnosis. This can include students with learning disabilities such as dyslexia, auditory processing disorder and health conditions such as epilepsy, diabetes and asthma. The decision as to whether a particular student falls within this definition for this data collection relies on the professional judgement of school staff about the impact of the disability on the student's learning. A decision as to whether a student should be included in the data collection will occur in consultation with you, as a parent or carer. Therefore, if you do not wish your child to be included please contact **Marie Polvere** by the **end of May**.

The Nationally Consistent Collection of Data is an Australian Government initiative and separate from the current process through which some students receive support through the Catholic education SA Special Education Program and are also recognised as students with a disability.

Marie Polvere,
Special Education Co-ordinator

Thank you
Thank you to the Parish for their kind donations of $610.00 towards the School Building Fund and their continuing contributions to this Fund. Just a reminder that if you contribute to the Parish Planned Giving Program, then you are exempt from the annual Archdiocesan levy.

Swimming Carnival 2015
Last week on Wednesday 18th March (Week 8), 16 students from Years 4-7 represented our school in the Catholic Schools Swimming Carnival at Magill Swimming Pool. Our school competed against 7 other Catholic schools on the day. The children competed in a variety of events such as freestyle, backstroke, breaststroke, butterfly and relays. Many of our students managed to place 1st, 2nd, 3rd, or 4th which was fantastic. As a school we finished 5th. Congratulations to Alessia Talladira (in 6/7D) who won Age Champion for U12 for the day. Well done Alessia! A big thank you to Linda Talladira and Melissa Fanning who acted as officials on the day and to all those parents who offered to transport students on the day of the carnival. Thank you also to Jennifer Annetta who assisted with timing at our tryout.

Michael Musolino

ICAS Schools Competition
A reminder to all parents & caregivers entries for the ICAS School Competition closes on Wednesday, 8th April. All forms must be completed and money paid before the due date if your child/ren wish to participate.

Marie Polvere

- NAPLAN Letter to parents (emailed 26/3)
- Cricket & Basketball Invoices sent out (26/3)
On Monday 16th March, our school had our annual Sports Day at Santos Stadium. The weather was sunny and warm and the students came well prepared by dressing in their sports colours. With the chanting of the cheers starting the day off, we knew the day was going to be an exciting one. The sprints came up next and this gave the students an opportunity to race their peers in order to win points towards the sports day shield. Our station events were after this and here is where the junior primary and primary students split into their year levels to compete in a variety of events. These events included high jump, long jump, baton relay, tug of war, obstacle course, hurdles and an egg and spoon race. The final student event for the day was the marathons. It was great to see so many students brave the warm weather to give the marathon a go, especially our Reception students, as this was their first experience at this. Well done! We ended the day with a teacher and parent tug of war. It was great to see lots of parents take to the field to battle the other houses.

Congratulations to the **Green Team (Mary MacKillop)** for winning the Sports Day Shield for 2015

Congratulations to the **Yellow (St Joseph’s)** for winning the Team Spirit Shield for 2015

TIMETABLE FOR  HOLY WEEK LITURGIES  
2015

We need to mark Easter this year as we do every other year. Palm Sunday, Holy Thursday and the Passion of Christ will need to be our main foci. Easter falls during WEEK 11 this year so we will celebrate our Liturgies in Week 10 of the term to give the children the opportunity to reflect on Jesus’ life.

Nationally Consistent Collection of Data
School Students with Disability

Information for Parents/Carers

Schools across Australia are taking part in a new national data collection on school students with disability.

The data collection is being introduced in stages over three years, and started in 2013. From 2015, this information will be collected in every school across Australia, every year.

All Australian governments have agreed to this.

WHAT IS THE BENEFIT FOR MY CHILD?

All Australian governments agree that every child in an Australian school should have a high quality education. It shouldn’t matter what the individual child’s circumstances are – every child should have the same opportunity to succeed at school.

The aim of this new data collection is to have better information about school students with disability in Australia.

Better information about school students with disability will help teachers, principals and education authorities to support students with disability to take part in school on the same basis as students without disability.

WHY IS THIS DATA BEING COLLECTED?

There is nothing new about schools collecting information about students with disability – in fact, schools have had to do this by law for some time. But the type of information currently collected varies between each state and territory.

With the new data collection, every school in Australia will use the same method to collect this information – that is, a government school in suburban Sydney will collect and report data in the same way as a Catholic school in country Victoria and an independent school in the Northern Territory.

The information provided through this new national data collection will enable all Australian governments to better target support and resources to benefit students with disability. It will help to put the right supports in place for students with disability so that they have the same opportunities for a high quality education as students without a disability.

WHAT ARE SCHOOLS REQUIRED TO DO?

Every school in Australia is likely to have a student with disability at some point. Schools need to be able to support students with disability by removing any obstacles for them to participate in their education.

By law, schools are required to make reasonable adjustments where needed to assist students with disability. These responsibilities are outlined in the Disability Discrimination Act 1992 and the Disability Standards for Education 2005. This means that schools need to talk to the student and/or their parent/carer about reasonable adjustments. These are things the schools do now and this won't change.

The new data collection will record students who have been identified by a school team as meeting the definition of disability under the Disability Discrimination Act 1992 and provided with an adjustment.

WHAT IS AN ADJUSTMENT?

An adjustment is a measure or action taken to help a student with disability participate in education on the same basis as other students. Adjustments can be made across the whole school setting (like ramps into classrooms), in the classroom and at an individual student level (like extra tuition for a student with a learning difficulty).
WHAT INFORMATION WILL BE COLLECTED?

Your child’s school will collect and report information every year about:

- the level of adjustment provided
- the number of students who receive each level of adjustment
- where known, the student’s broad type of disability.

Some students who are not provided with an adjustment at the time of the collection will meet the definition of disability under the Disability Discrimination Act 1992 and will be eligible to be included in the data collection.

WHO WILL COLLECT MY CHILD’S INFORMATION?

Teachers and other school staff from your child’s school will collect the above information based on:

- consultation with parents/carers
- the school team’s observations and professional judgements
- any medical diagnosis
- other relevant information.

School principals are responsible for making sure that the information collected about each student is accurate.

HOW WILL MY CHILD’S PRIVACY BE PROTECTED?

Protecting the privacy and confidentiality of all children and their families is very important. With the new data collection, this will be done in the following ways:

- Personal or confidential information will not be given to anyone not authorised to see it.
- When the information is sent by your child’s school to the local or federal education authority for combination with information from other schools, it will be by school only – student names will not be recorded as part of the data collection.
- When the information is reported from 2016 onwards, it will be by school only – student names will not be recorded as part of the data collection.

WHEN AND WHERE WILL THE DATA BE AVAILABLE?

When all Australian schools are taking part in the new data collection, the information will be reported on the My School website from 2016 onwards. It will be by school only – no student names are recorded as part of the data collection.

CAN I DECIDE WHETHER MY CHILD’S INFORMATION IS INCLUDED IN THE NATIONAL DATA COLLECTION?

It’s your decision about whether you want your child’s information to be included in the national reporting or not.

Including every school child who is being provided with an adjustment because of disability in this new national data collection each year will help schools, education authorities and governments to better meet students’ needs.

Your school will tell you what you need to do if you don’t want to have your child’s information included in the national data collection.

Even if your child’s information is not included in the national data collection, your school is still required to provide support to your child with disability and any adjustments that may be needed to help him/her participate at school.

FURTHER INFORMATION

Contact your child’s school if you have further questions about the Nationally Consistent Collection of Data on School Students with Disability and how it may affect your child.
