By attending the specific Growing into Reception Program, the children will have an increased chance of settling well into school life, equipped with the social and emotional skills necessary to be ‘school ready’. Designed to facilitate a smooth and seamless transition into Reception.

The high-5 group will commence in July 2016. This full time program is available to children who attend our Preschool and who turn five during the year (1st May to 31st October) and who will embark on a full year of Reception in 2017.

Cost: $550 per term

• Focus on literacy, numeracy, science
• Regular shared learning experiences
• Opportunities for mentoring and collaboration with Reception students
• Carefully tailored excursions/incursions to complement and enrich classroom learning experiences
• Regular book borrowing from the School Library
• Early Childhood screening for speech, vision and hearing from CAFHS
• Fortnightly attendance of School Assemblies
• A fundamental movement skills assessment (Funastics)
