

**I can't
understand
math/reading/...**

This is too hard.

I made a mistake.

I'm so smart!

**I'm not good
at this.**

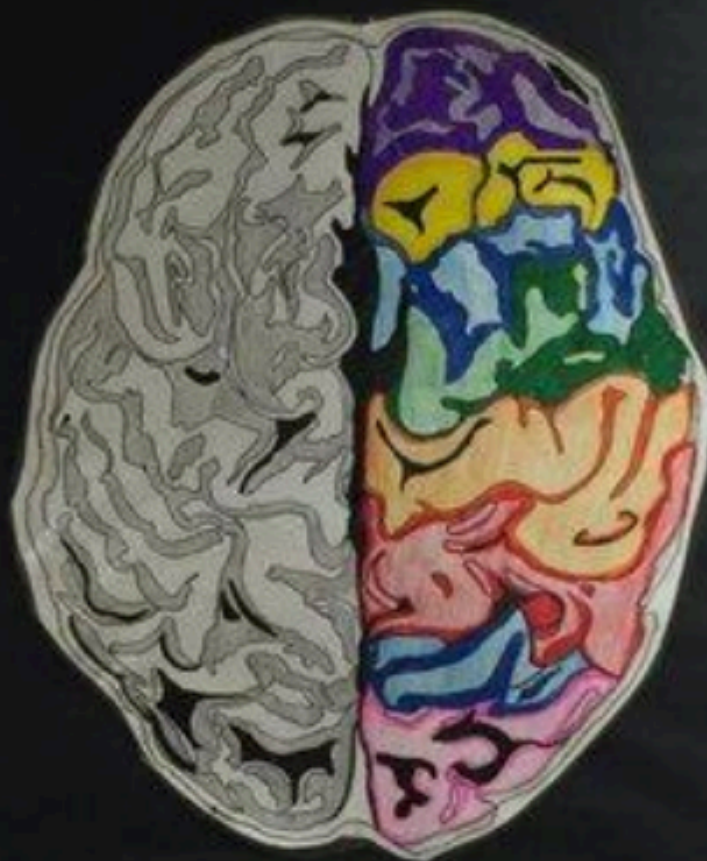

I don't know.

It's good enough.

I give up.

This is pointless!

I just don't get it.

...yet.

**I'm on the right
track.**

**I can always
improve;
I'll keep trying!**

**What am I
missing?**

**I won't give up
even when
it gets hard**

**This may take
some time
and effort.**

**I'll use some of
the strategies
I've learned.**
