Dear Parents / Caregivers,

That special time of the year has come again.

The students all band together to raise money for Catholic Charities.

The children show through their actions how they can respond to people who need their help. Over the next few weeks support your children

“for it is in giving that we receive”.

Overleaf is a run down how each of the classes will fundraise and on which days.

Please support as best, and as generously as you are able.

Only through your giving and support will our giving be a success.

While the agencies that Catholic Charities support are Catholic welfare agencies they provide critical care for all needy people irrespective of their religion.

Some of the places we will be helping are:

Catherine House offers emergency and transitional supported accommodation to single adult women over 21 years who are homeless and unaccompanied by children. **Ain Karim** permanent accommodation and care for adults with intellectual disabilities. **Aboriginal Catholic Ministry** provides the wider indigenous community with counselling; a drop in service; work with street kids and outreach, visiting people in the streets, parks, hotels, in their own homes, in prison and in hospital. It also supports indigenous students attending Catholic Schools. **Catholic Deaf Association**. The Sisters of St Joseph, through the Catholic Deaf Centre provide services for people who are deaf. **St Patrick's and St Ann's Special Schools** cater for children with intellectual and multiple disabilities. Students range in age from 5 - 20. **Centacare Catholic Family Services** works with around 20,000 people each year providing a wide range of counselling, education and support services. **Louise Place** offers supported accommodation for homeless pregnant teenagers. Counselling, life-skills and general education and support to continue school education are also given to these girls. **Hutt Street Centre** run by the Daughters of Charity is a meal and day centre for the homeless people of Adelaide. Men, women and at times children attend the Centre. Facilities are breakfast, lunch, laundry, showers, lockers, counselling, referral, housing and advocacy. Each year over 2000 people attend the Centre with approximately 51,000 meals being served. **St Joseph's Family Care Centre**. Through the Sisters of St Joseph at Mitchell Park homeless families are given emergency housing and counselling.
