

ST JOSEPH'S SCHOOL PAYNEHAM

2024 SCHOOL UNIFORM POLICY

The wearing of the correct school uniform is compulsory for all students at St Joseph's School, Payneham.

Our students are expected to take pride at all times with their grooming and presentation. It is essential that parents support their child/ren in the correct wearing of the school uniform.

Parents/Carers will be contacted if the incorrect uniform is worn and be expected to rectify the matter as soon as possible. If for some reason a child is unable to wear their correct school uniform (i.e., sandals are broken) we expect parents/carers to write a note explaining this to the class teacher and when they intend to have the situation resolved.

Parents/Carers will be advised if their child is not complying with the School Uniform Policy. If a student is unable to wear the correct uniform due to health reasons, please make a time to speak with the Principal or Deputy Principal. It is our belief that the correct wearing of the uniform enhances both the child's self-esteem and the school's image.

After undertaking a uniform review by our Uniform Committee and School Board we have launched a new uniform. The new uniform is mandatory for all new students to the school from February 2024.

Please note that for all other students there is a two-year transition period, with all students to be in the new uniform at the commencement of the 2026 year.

Previous Uniform

For children wearing the previous uniform during the transition period, these students will continue to wear their full formal summer and winter uniform and sport uniform.
